

Creative Strand: Stimulus 1

Untitled, Ray “Neutron” Spears, 2017

Image description

A black man stands with hands to the side of his head with eyes closed, in the background blurred buildings are visible.

On the Artist

Neutron is a New York based image maker whose work has been described as showing stories rather than telling them through motion and still image.

Points to unpack

- Composition
- Architecture
- Daniel Libeskind
- *The Thinker* by Auguste Rodlin, 1904
- New York City
- Rush hour
