

## Rambert Grades Cookies Policy

2024-25

---

Rambert Creative Contemporary Dance Grades Ltd is in this cookies policy referred to as "Rambert Grades", "we", "our" or "us".

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree.

Cookies contain information that is transferred to your computer's hard drive.

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our website.

We use the following cookies:

### **Strictly necessary cookies**

These are cookies that are required for the operation of our website. These essential cookies are always enabled because our website won't work properly without them. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services. You can switch off these cookies in your browser settings but you may then not be able to access all or parts of our website.

### **Session cookies**

A session cookie is a simple text file that our website installs on a visitor's device for temporary use. It helps track real-time changes in a visitor's activity while on our website. Also known as a transient cookie or a temporary cookie, a session cookie is only active during each browsing session and is programmed to be automatically deleted at the end of each browsing session when the visitor exits the web browser. Visitors can also restrict the use of session cookies during their browsing sessions manually.

### **Analytical or performance cookies**

These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that visitors are finding what they are looking for easily.

### **Functionality cookies**

These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

### **Targeting cookies**

These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests.

You can use your web browser to accept, decline, or delete cookies. You can also clear cookies at the end of your browsing session. Most web browsers automatically accept cookies, but you can modify your browser settings to decline cookies if you prefer. This may, however, prevent you from taking full advantage of our website.
